Any cost incurred by the Offeror for set up and demonstration of the proposed equipment and/or system shall be borne solely by the Offeror.

3. Prime Contractor Responsibility

Any contractual agreement that may result from this RFP shall specify that the prime contractor is solely responsible for fulfillment of all requirements of the contractual agreement with a State Agency which may derive from this RFP. The State Agency entering into a contractual agreement with a vendor will make payments to only the prime contractor.

4. Subcontractors/Consent

The use of subcontractors is allowed. The prime contractor shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the prime contractor must receive approval, in writing, from the agency awarding any resultant contract, before any subcontractor is used during the term of this agreement.

5. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. *Agency personnel will not merge, collate, or assemble proposal materials.*

6. Offeror’s Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror’s duly authorized representative.
The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations, 1.4.1.5 & 1.4.1.36 NMAC.

7. **Proposal Offer Firm**

Responses to this RFP, including proposal prices for services, will be considered firm for one-hundred twenty (120) days after the due date for receipt of proposals.

8. **Disclosure of Proposal Contents**

The contents of all submitted proposals will be kept confidential until the final award has been completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, except for proprietary or confidential material as follows:

a. **Proprietary and Confidential information is restricted to:**
   1. confidential financial information concerning the Offeror’s organization; and
   2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7, NMSA 1978.

b. An additional but separate redacted version of Offeror’s proposal, as outlined and identified in Sections III.B.1.a.i and III.B.2.a.i, shall be submitted containing the blacked-out proprietary or confidential information, in order to facilitate eventual public inspection of the non-confidential version of Offeror’s proposal.

**IMPORTANT:** The price of products offered, or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the Agency shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

9. **No Obligation**

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror’s services until a valid written contract is awarded and approved by appropriate authorities.

10. **Termination**

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.
11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency’s decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror’s concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror’s proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose specific alternative language. The Agency may or may not accept the alternative language. General references to the Offeror’s terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror’s proposal.
Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

**16. Offeror’s Terms and Conditions**

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

**17. Contract Deviations**

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror’s proposal.

**18. Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85, NMSA 1978.

**19. Right to Waive Minor Irregularities**

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.22. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

**20. Change in Contractor Representatives**

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.
21. Notification of Partners, Supervisory, and Staff Changes

Engagement partners, managers, other supervisory staff and specialists may be changed if those personnel leave the Offeror, are promoted, or are assigned to another office. These personnel may also be changed for other reasons with the express prior written permission of the Department. However, in either case, the Department retains the right to approve or reject replacements. Other audit personnel may be changed with the written approval of the Department, provided that replacements have substantially the same or better qualifications or experience, as deemed by the Department. Failure to replace assigned personnel with replacements with substantially the same or better qualifications is a material breach of this Contract.

22) Notice of Penalties

The Procurement Code, §§13-1-28 through 13-1-199, NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

23) Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror’s proposal.

24) Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror’s proposal or removal from the contract.

25) Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency unless the Offeror either picks up, or arranges for pick-up, the materials within three (3) business days of notification of the cancellation. Offeror is responsible for all costs involved in return mailing/shipping of proposals.

26) Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.
The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

27) Electronic mail address required

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). Offeror must have a valid e-mail address to receive this correspondence. (See also Section II.B.4, Response to Written Questions).

28) Use of Electronic Versions of this RFP

This RFP is being made available by electronic means. In the event of conflict between a version of the RFP in the Offeror’s possession and the version maintained by the agency, the Offeror acknowledges that the version maintained by the agency shall govern.

29) New Mexico Employees Health Coverage

a. If the Offeror has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period during the term of the contract, Offeror must agree to have in place, and agree to maintain for the term of the contract, health insurance for those employees if the expected annual value in the aggregate of any and all contracts between Contractor and the State exceed $250,000 dollars.

b. Offeror must agree to maintain a record of the number of employees who have (a) accepted health insurance; (b) decline health insurance due to other health insurance coverage already in place; or (c) decline health insurance for other reasons. These records are subject to review and audit by a representative of the state.

c. Offeror must agree to advise all employees of the availability of State publicly financed health care coverage programs by providing each employee with, as a minimum, the following web site link to additional information https://bewellnm.com.

d. This requirement applies regardless whether a covered contribution was made or not made for the positions of Governor and Lieutenant Governor or other identified official. **Failure to complete and return the signed, unaltered form will result in Offeror’s disqualification.**

a. Offeror’s proposal **must** be accompanied by an **unaltered** Letter of Transmittal Form (APPENDIX E), which must be **completed** and **signed** by the individual authorized to contractually obligate the company, identified in #2 below. **DO NOT LEAVE ANY OF THE ITEMS ON THE FORM BLANK** (N/A, None, Does not apply, etc. are acceptable responses).

2. Identify the Name, Title, Telephone, and E-mail address of the person authorized by the Offeror’s organization to (A) contractually obligate the business entity providing the Offer, (B) negotiate a contract on behalf of the organization; and/or (C) provide clarifications or answer questions regarding the Offeror’s proposal content (**A response to B and/or C is only required if the responses differ from the individual identified in A**);
3. Identify sub-contractors, if any, anticipated to be utilized in the performance of any resultant contract award.
4. Describe any relationship with any other entity (such as State Agency, reseller, etc., that is not a sub-contractor identified in #3), if any, which will be used in the performance of this awarded contract; and

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any state agency or local public body for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor’s company:

1. is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.

2. has within a three-year period preceding this offer, been convicted in a criminal matter or had a civil judgment rendered against them for:

4. has, preceding this offer, been notified of any delinquent Federal or state taxes in an amount that exceeds $3,000.00 of which the liability remains unsatisfied. Taxes are considered delinquent if the following criteria apply.
   a. The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge of the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
   b. The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
   c. Have within a three-year period preceding this offer, had one or more contracts terminated for default by any federal or state agency or local public body.

the Contractor’s disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Agreement. However, the disclosure will be considered in the determination of the Contractor’s responsibility and ability to perform under this Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will render the Offeror nonresponsive.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the other party to this Agreement. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the Central Purchasing Officer may terminate the involved contract for cause. Still further the Central Purchasing Officer may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the Central Purchasing Officer.

Appendix G- Contract Sample

STATE OF NEW MEXICO
AUDIT CONTRACT
(State Agencies with GSB/CRB Approval)

hereinafter referred to as the "Agency," and

hereinafter referred to as the "Contractor," agree:

As required by the Audit Rule, NMAC Section 2.2.2.1 et seq., Contractor agrees to, and shall, inform the Agency of any restriction placed on Contractor by the Office of the State Auditor pursuant to NMAC Section 2.2.2.8, and whether the Contractor is eligible to enter into this Contract despite the restriction.

1. SCOPE OF WORK (Include in Paragraph 26 any expansion of scope)

   A. The Contractor shall conduct a financial and compliance audit of the Agency for Fiscal Year__________ in accordance with auditing standards generally accepted in the United States of America, Government Auditing Standards, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the Audit Act and the Audit Rule (NMAC Section 2.2.2.1 et seq.).

2. DELIVERY AND REPRODUCTION

   A. In order to meet the delivery terms of this Contract, the Contractor shall deliver the following documents to the State Auditor no later than sixty days after the Financial Control Division of the Department of Finance and Administration (FCD of DFA) provides the State Auditor with notice that the Agency's books and records are ready and available for audit, and in any event no later than the deadline set forth for the Agency in NMAC Section 2.2.2.9:

      (1) an organized, bound and paginated hard copy of the Agency's audit report for review;

      (2) a copy of the signed management representation letter provided to the IPA by the Agency as required by AU-C 580; and

      (3) a copy of the completed State Auditor Report Review Guide available at www.osanm.org:

   B. In accordance with FCD requirements, the Agency, with the help of the Contractor, shall identify a schedule of audit deliverables and agreed-to milestones for the audit to ensure
that the Agency's books and records are ready and available for audit and the Contractor delivers services on time. The deadline of sixty days shall be based on the schedule of audit deliverables and agreed upon milestones; however, the deadline shall not extend beyond the deadline set forth for the Agency in NMAC Section 2.2.2.9. This requirement does not prevent the Contractor from performing interim audit work prior to receipt of the DFA notice of agency preparedness.

C. Reports postmarked by the Agency's due date will be considered received by the due date for purposes of NMAC Section 2.2.2.9. Unfinished or excessively deficient reports will not satisfy this requirement; such reports will be rejected and returned to the Contractor and the State Auditor may take action in accordance with NMAC Section 2.2.2.13. If the State Auditor does not receive copies of the management representation letter and the completed Report Review Guide with the audit report or prior to submittal of the audit report, the State Auditor will not consider the report submitted to the State Auditor.

D. As soon as the Contractor becomes aware that circumstances exist that will make the Agency's audit report late, the Contractor shall immediately provide written notification of the situation to the State Auditor. The notification shall include an explanation regarding why the audit report will be late, when the IPA expects to submit the report and a concurring signature by the Agency.

E. Pursuant to NMAC Section 2.2.2.10, the Contractor shall prepare a written and dated engagement letter that identifies the specific responsibilities of the Contractor and the Agency.

F. After its review of the audit report pursuant to NMAC Section 2.2.2.13, the State Auditor shall authorize the Contractor to print and submit the final audit report. Within five business days after the date of the authorization to print and submit the final audit report, the Contractor shall provide the State Auditor an electronic version of the audit report, in PDF format, and the electronic copy of the Excel version of the Summary of Findings Form, Vendor Schedule, Fund Balances, and any GASB 77 data (if applicable). After the State Auditor officially releases the audit report by issuance of a release letter, the Contractor shall deliver _______________________ copies of the audit report to the Agency. The Agency or Contractor shall ensure that every member of the Agency's governing authority shall receive a copy of the report.

G. The Agency, upon delivery of its audit report, shall submit to the Federal Audit Clearinghouse (FAC) the completed data collection form and the reporting package described in § 200.512 of Uniform Guidance for Federal Awards. The submission is required to be made within 30 calendar days of receipt of the auditor’s report, or nine months after the end of the audit period.

3. COMPENSATION

A. The total amount payable by the Agency to the Contractor under this Contract shall not exceed $________________ plus applicable gross receipts tax.
B. Contractor agrees not to, and shall not, perform any services in furtherance of this Contract prior to approval by the State Auditor. Contractor acknowledges and agrees that it will not be entitled to payment or compensation for any services performed by Contractor pursuant to this Contract prior to approval by the State Auditor.

C. Total Compensation will consist of the following:

Total Compensation = $________ plus applicable gross receipts tax

D. The Agency shall pay the Contractor the New Mexico gross receipts tax levied on the amounts payable under this Contract and invoiced by the Contractor. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below.

E. The State Auditor may authorize progress payments to the Contractor by the Agency; provided that the authorization is based upon evidence of the percentage of audit work completed as of the date of the request for partial payment. Progress payments up to 70% do not require State Auditor approval, provided that the Agency certifies receipt of services. The Agency must monitor audit progress and make progress payments only up to the percentage that the audit is completed prior to making such payment. Progress payments of 70% or more but less than or equal to 90% require State Auditor approval after being approved by the Agency. If requested by the State Auditor, the Agency shall provide a copy of the approved progress billings. The State Auditor may allow only the first 50% of progress payments to be made without State Auditor approval if the Contractor's previous audits were submitted after the due date. Final payment for services rendered by the Contractor shall not be made until a determination and written finding is made by the State Auditor in the release letter that the audit has been made in accordance with the provisions of this Contract and applicable rules of the State Auditor.

4. **TERM.**
   THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE STATE AUDITOR AND THE NEW MEXICO DEPARTMENT OF FINANCE AND ADMINISTRATION. Unless terminated pursuant to Paragraphs 5 or 19, this Contract shall terminate one calendar year after the date on which it is signed by the Department of Finance and Administration.

5. **TERMINATION, BREACH AND REMEDIES**
A. This Contract may be terminated:
   (1) By either party without cause, upon written notice delivered to the other party and
       the State Auditor at least ten (10) days prior to the intended date of termination.
   (2) By either party, immediately upon written notice delivered to the other party and
       the State Auditor, if a material breach of any of the terms of this Contract occurs.
       Unjustified failure to deliver the report in accordance with this Contract shall
       constitute a material breach of this Contract.
   (3) By the Agency pursuant to Paragraph 19, immediately upon written notice to the
       Contractor and the State Auditor.
   (4) By the State Auditor, immediately upon written notice to the Contractor and the
       Agency after determining that the audit has been unduly delayed, or for any other
       reason.

B. By termination, neither party may nullify obligations already incurred for performance or
   failure to perform prior to the date of termination. If the Agency or the State Auditor
   terminates this Contract, the Contractor shall be entitled to compensation for work
   performed prior to termination in the amount of earned, but not yet paid, progress
   payments, if any, that the State Auditor has authorized to the extent required by Paragraph
   3(E). If the Contractor terminates this Contract for any reason other than Agency's breach
   of this Contract, the Contractor shall repay to the Agency the full amount of any progress
   payments for work performed under the terms of this Contract.

C. Pursuant to NMAC Section 2.2.2.8, the State Auditor may disqualify the Contractor from
   eligibility to contract for audit services with the State of New Mexico if the Contractor
   knowingly makes false statements, false assurances or false disclosures under this Contract.
   The State Auditor on behalf of the Agency or the Agency may bring a civil action for
   damages or any other relief against a Contractor for a material breach of this Contract.

D. THE REMEDIES HEREIN ARE NOT EXCLUSIVE, AND NOTHING IN THIS
   SECTION 5 WAIVES OTHER LEGAL RIGHTS AND REMEDIES OF THE PARTIES.

6. STATUS OF CONTRACTOR

The Contractor and its agents and employees are independent contractors performing
professional services for the Agency and are not employees of the Agency. The Contractor
and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of
state vehicles or any other benefits afforded to employees of the Agency as a result of this
Contract. The Contractor agrees not to purport to bind the State of New Mexico to any
obligation not assumed under this Contract unless the Contractor has express written
authority to do so, and then only within the strict limits of that authority.

7. ASSIGNMENT

The Contractor shall not assign or transfer any interest in this Contract or assign any claims
for money due or to become due under this Contract.
8. **SUBCONTRACTING**

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the Agency and the State Auditor. An agreement between the Contractor and a subcontractor to subcontract any portion of the services under this Contract shall be completed on a form prescribed by the State Auditor. The agreement shall be an amendment to this Contract and shall specify the portion of the audit services to be performed by the subcontractor, how the responsibility for the audit will be shared between the Contractor and the subcontractor, the party responsible for signing the audit report and the method by which the subcontractor will be paid. Pursuant to NMAC Section 2.2.2.8, the Contractor may subcontract only with independent public accounting firms that are on the State Auditor's List of Approved Firms, and that are not otherwise restricted by the Office from entering into such a contract.

9. **RECORDS**

The Contractor shall maintain detailed time records that indicate the date, time, and nature of services rendered during the term of this Contract. The Contractor shall retain the records for a period of at least five (5) years after the date of final payment under this contract. The records shall be subject to inspection by the Agency or the State Auditor. The Agency or the State Auditor may audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the Agency or the State Auditor on behalf of the Agency to recover excessive or illegal payments.

10. **RELEASE**

The Contractor, upon receiving final payment of the amounts due under the Contract, releases the State Auditor, the Agency, their respective officers and employees and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Contract. This paragraph does not release the Contractor from any liabilities, claims or obligations whatsoever arising from or under this Contract.

11. **CONFIDENTIALITY**

All information provided to or developed by the Contractor from any source whatsoever in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor, except in accordance with this Contract or applicable standards, without the prior written approval of the Agency and the State Auditor.

12. **PRODUCT OF SERVICES; COPYRIGHT AND REPORT USE**

Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. The Agency and the State Auditor may post an audited financial statement on their respective
websites once it is publicly released by the State Auditor. The Contractor agrees that the Financial Control Division of the Department of Finance and Administration (DFA) is free to use the audited financial statements in the statewide Comprehensive Annual Financial Report (CAFR) and that the Contractor’s audit report may be relied upon during the audit of the statewide CAFR, if applicable. However, DFA should not provide to any third party, other than the CAFR auditor, the Agency’s draft audit reports or their opinion letters or findings.

13. **CONFLICT OF INTEREST**

The Contractor represents and warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Contract. Each of the Contractor and the Agency certifies that it has followed the requirements of the Governmental Conduct Act, Section 10-16-1, et seq., NMSA 1978, regarding contracting with a public officer, state employee or former state employee, as required by the applicable professional standards.

14. **INDEPENDENCE**

16. **MERGER**

This Contract supersedes all of the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract. Contractor and Agency shall enter into and execute an engagement letter pursuant to NMAC Section 2.2.2.10, consistent with Generally Accepted Auditing Standards (GAAS) and Government Auditing Standards (GAGAS). The engagement letter and any associated documentation included with or referenced in the engagement letter shall not be interpreted to amend this Contract. Conflicts between the engagement letter and this Contract are governed by this Contract, and shall be resolved accordingly.
17. **APPLICABLE LAW**

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the legislature or the Agency's governing body for the performance of this Contract. If sufficient appropriations and authorization are not made by the legislature or the Agency's governing body, this Contract shall terminate upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. This section of the Contract does not supersede the Agency's requirement to have an annual audit pursuant to Section 12-6-3(A) NMSA 1978.

20. **PENALTIES FOR VIOLATION OF LAW**

The Contractor shall abide by all federal and state laws, rules and regulations, and executive orders of the Governor of the State of New Mexico pertaining to equal employment opportunity. In accordance with all such laws, rules, regulations and orders, the Contractor assures that no person in the United States shall, on the grounds of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap or serious medical condition, spousal affiliation, sexual orientation or gender identity be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If the Contractor is found not to be in compliance with these requirements during the life of this Contract, the Contractor shall take appropriate steps to correct these deficiencies.

24. INVALID TERM OR CONDITION

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected.

25. EMPLOYEE PAY EQUITY REPORTING

A. If it has ten (10) or more New Mexico employees OR eight (8) or more employees in the same job classification at any time during the term of this Contract, the Contractor shall complete and submit the PE10-249 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. If the Contractor has (250) or more employees the Contractor shall complete and submit the PE250 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in duration. For contracts that are extended beyond one (1) calendar year, the Contractor shall also complete and submit the PE10-249 or PE250 form, whichever is applicable, within thirty (30) days of the annual contract anniversary date of the initial submittal date or, if more than 180 days has elapsed since submittal of the last report, at the completion of the contract, whichever comes first.
