Subject: Comment on Title 4 Cultural Resources Chapter 15 Museum of New Mexico Part 1 General Provisions

I would like to provide the following comment:

Under 4.51.1.8 C. (3). Delete the final sentence "Unless otherwise determined by the board, the date of regular meetings shall be the third Thursday of each odd numbered month."

The first sentence adequately covers the meetings of the BOR every other month. The BOR should not be limited by rule in what day of the week have to enter a resolution in order to set meetings.

Many thanks,
